

Donate to Cape as You Shop

AmazonSmile is a website operated by Amazon with the same products, prices and shopping features as amazon.co.uk. Customers who shop with AmazonSmile can choose a charity to support before they start shopping.

Each time you shop at **smile.amazon.co.uk** Amazon will donate a percentage of the net purchase price for millions of eligible products. There is no additional cost or charge to you or your chosen charity for this.

The only difference is that when you shop on **smile.amazon.co.uk** Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) from your eligible AmazonSmile purchases to CAPE.

Between 15th and 29th June Amazon will triple donations from 0.5% to 1.5% of net purchase price.
